Champions of Compulsory Compensation Act Believe It Clears Way For Era of Prosperity and Peace—Terms of Ohio Statute More Liberal Than of Related Laws In Other States

(By Ernest W. Helm.) Columbus, Ohio.-If the expecta- week for life; and for death, funeral tions of sanguine authors are realized the workmen's compulsory compensation act, which became operative with the first of the year, has opened the door upon an era of industrial peace and uplift in Ohio. Primarilybecause of the number affected-more than three-fourths of her population is brought under the state's protecting wing, for, depending upon a million wage-earners, according to estimates are three million women and children Ferris on Wednesday by representawho are directly concerned.

Of second consideration, it is contended that benefits to employers, which measure larger in dollars, will embrace relief from exorbitant liability insurance premiums, avoidance of costly legal battles, banishment of the ambulance chaser, elimination of hurtful agitation and increased output from mills and shops. No doubt has been raised that the new order will bring labor and capital closer together.

Public To Benefit

In all benefits enjoyed by both laborer and employer, the public must share in large degree. Greater pros- award. perity and less disturbance are important considerations to every citisen. Greater humanitarianism and less pauperism affect all classes together, however faint may seem the relationship.
